Sign Up & Log In Read Me

Sign Up Step 1

Click on the sign-up tab at the top of the page. You will be re-directed to the sign up page.

Figure 1. Sign Up screen

Step 2

Now fill in the fields correctly.

First & Last Name Fields: No parameters here. Does not have to be your real name and if it matches any other member of the site you will still be able to use the name.

Email Address Field: Must be a valid email address eg. example@gmail.com. Email address must not already be registered to the site you will be prompted to change the email if this is the case.

Username field: Choose any username you like unless it is already in use by another user. You will be prompted to change your email address if this is the case

Password: We advise you enter a strong memorable password to use for your account but there are no parameters here. Your password will be hashed after sign up so the only person with access to your password will be you.

About You field: Just a little section about yourself for other users of the site to view.
